The Accessories

Switch

Switch – wireless rechargeable optical mouse
Colorful variety with replaceable covers

The new mouse from DICOTA introduces exchangeable colorful covers to the everyday gray world. Switch can be optionally used with batteries or with a cable and provides for uninterrupted and simple operation. An optical surface resolution of 800 dpi and the 3 buttons including scroll functionality allow for a very price control of the mouse. The mouse uses the 27 MHz frequency and has a reach up to one meter.
Switch – a colorful mouse for highest demands and comfortable operation.
